

Invest in your people.

Purchase your own online campus with CU Training Inc.

Offer your staff an outstanding credit union education with your own online campus.

What's Included in Your Own Online Campus

You'll get more courses and more options, all to help minimize risk, increase assets, maximize productivity, and improve member service. As well as the features you currently enjoy, your own campus includes:

- ✔ An additional 100+ credit union-specific courses, including sales, service, lending, compliance, and teller training.
- ✔ Easy-to-use reports that measure and track training, and can be generated in a variety of formats (e.g., Adobe PDF, Microsoft Excel).
- ✔ Training analysis tools that help identify knowledge gaps by assessing individual employees or the entire team. Included are coaching reports designed to help managers provide quality feedback.
- ✔ Integrated classroom training scheduling and tracking
- ✔ Prescriptive learning plans so that each employee's career development can be mapped and managed, from new hire orientation to retirement.
- ✔ New courses added at no charge, as developed by CU Training Inc.
- ✔ A course-authoring tool that can be used to edit and customize courses with your credit union's policies, procedures, and products.
- ✔ The ability to brand the campus with your credit union's logo.
- ✔ For managers, a snapshot of team training progress and results.

Getting Started Is Easy!

Contact CU*Answers VP of Client Services and Education at lwelchvilker@cuanswers.com or 800.327.3478, ext. 144.

CU Training Inc. will contact you to gather the information necessary to set up your contract.

CU Training Inc. will contact you to schedule free training for your campus administrator.

Annual Subscription Pricing

Where will your career take you?
01/23/2012

Learners can use the clean new dashboard to determine which modules they need to take and when they're due. The tiles provide a snapshot of completed learning objects.

2018 COM16: Identity Theft and The FACT Act

In this program, we will study the legislative background, including the Red Flag Rules and Notice of Address Discrepancy Rules as enshrined in the FACT Act of 2003, and how the associated guidelines affect procedures when operating existing accounts, and opening new accounts.
