

MessagePay

A quick and convenient way to make loan payments! With MessagePay, members can receive payment reminders via text message and subsequently pay you back with their preferred mobile device.

The Magic Of Digital Payments!

Convenience At Your Fingertips!

The What

Payment methods allowed include ACH, and debit cards. You can send your customers payment reminders via text message. They can pay you back directly from the text!

The Where

Includes an online and mobile optimized member-facing portal. MessagePay provides your financial institution with a complete solution for accepting payments via a simple text message!

The Why

- Allow members to easily make loan payments anywhere
- Actively decrease delinquency
- White Labeled: Communicate with your members using your credit union's branding!
- Make it easier for members to pay you!

Easy Pay Anywhere!

Real-time payment posting available for additional charge!
